UTS Business School, the largest of the university's faculties, provides students with a world-class integrated education across all major fields of business practice.

UTS Business School is strategically located in the heart of Sydney's creative precinct and alongside Sydney's central business district. This helps facilitate our strong links with industry, with the majority of our subjects incorporating guest lectures from practitioners, and even live case studies as student projects.

UTS is investing over \$1 billion in campus infrastructure, providing an unprecedented opportunity to shape the future of learning through the design of a new suite of spaces. This includes the iconic Dr Chau Chak Wing Building, home of the Business School from 2015.

*"Our vision at UTS Business School is to advance knowledge with impact through integrative thinking for the next generation leaders of a globalising world."*
