## About Aspire

Aspire Institute offers higher education undergraduate and postgraduate courses as stand-alone qualifications or, should you wish to further your studies, you could choose to use your qualification as a pathway into a bachelor or other program at the International College of Management, Sydney (ICMS) , or one of the distinguished Australian universities and colleges that Aspire has partnerships with. Successful course completion provides students with a nationally recognised award that improves their employment prospects.

## Aspire Testimonials:

"I completed my Diploma of Business at Aspire and was accepted into my second year of a Bachelor of Business at the University of Technology Sydney (UTS). UTS is a pathway partner of Aspire so by doing my Diploma of Business through Aspire, it counts as a first year of study for my bachelor's degree. Not only that, but I have also been accepted into the Cathay Pacific Cadet Pilot Program which I will do as I continue studying."

Diploma of Business | Pathway to UTS

"The transition was pretty smooth and easy. Most of the work to do with the transition was done by the Aspire team. I aim to work for a big organisation while still running my own business. I would also like to use my skills in some way to uplift society."
