Fees for 2022 listed here have been frozen at 2020 and 2021 levels due to the COVID-19 pandemic. The current closure of Australian borders means off-shore international students are completing their studies online. However, Aspire Institute is hopeful that international students will be able to resume on-campus studies in Sydney in 2022. When Australian international borders are fully open to all Aspire students, the current pricing will be reviewed and may be increased from that point.
